BIOL ELECTIVE	4	BIOL ELECTIVE	3
BIOL ELECTIVE	4	BIOL ELECTIVE	3
ELECTIVE	3	ELECTIVE	3
		ELECTIVE	3
TOTAL	14	TOTAL	15

Students must have a C- or better in BIO 121, 122, and CHM 125+126 as well as an overall GPA of 2.5 to be admitted to the Biology program upon transferring to West Virginia University.

Although students will lack the BIOL 117 requirement standard for admission into the Biology program, students who meet the above requirements will be admitted per this articulation agreement.

The WVU General Education Foundations curriculum (GEF) includes eight areas (F1-F8). F1 (Composition and Rhetoric), F2 (Science & Technology), and F3 (Mathematics & Quantitative Skills) are specified above. These 3 Areas will be fulfilled by General Education requirements at County College of Morris and ENGL 102 at WVU. Students must also complete 3 credit hours from each of the GEF Areas 4 through 7, and are encouraged to study the provided GEF chart to select electives that satisfy these requirements. By using the suggested plan of study above, students are able to fulfill this requirement prior to graduation from County College of Morris. Students not completing this requirement at CCM will need to utilize ELECTIVE credit at WVU to do so.

The WVU GEF curriculum also includes 9 credits (normally 3 three-credit courses) of Focus coursework (F8), to help students capitalize on the range and diversity of courses offered at WVU. In order to maximize connections, incorporate additional competencies, and encourage true breadth of study, students must fulfill the Focus through completion of one of the following academic paths: (a) completion of a minor; (b) completion of a double major or dual degree, or (c) completion of 9 credits of additional coursework from the list of courses approved for GEF Areas F1 through F7. County College of Morris students following this pathway will complete the F8 requirement with successful completion of CHM 125+126, CHM 127+128, and MAT 130.

Students who have questions about admission into their intended program, GEF requirements, GEF Focus courses, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.
