AOE COURSE	3	AOE COURSE	3
AOE COURSE	3	AOE COURSE	3
AOE COURSE	3	AOE COURSE	3
ELECTIVE	2		
TOTAL	14	TOTAL	13

Students must have a C- or better in any POL course or SOC 230 to be admitted directly to the Political Science program upon transferring to West Virginia University.

Students pursuing a degree in Political Science from West Virginia University are required to select an Area of Emphasis (AOE) as part of their course of study. Depending on the student's choice of Area of Emphasis, the number of AOE Courses required will vary as requirements may be met at County College of Morris. Students who complete AOE requirements at CCM can replace those listed in their final two years with general elective credit. Students who chose the International Relations, Comparative Politics, and National Security AOE will exceed the stand 120 hour listed.

*Depending on the student's chosen AOE, taking MAT 130 or 210 is recommended for upper level Statistics courses and other course options that are a part of several AOE's.

**For the Pre-Law and Legal Studies AOE, PHIL 115 is recommended and will complete one of the AOE Course requirements.

The WVU General Education Foundations curriculum (GEF) includes eight areas (F1-F8). F1 (Composition and Rhetoric), F2 (Science & Technology), and F3 (Mathematics & Quantitative Skills) are specified above. These 3 Areas will be fulfilled by General Education requirements at County College of Morris and ENGL 102 at WVU. Students must also complete 3 credit hours from each of the GEF Areas 4 through 7, and are encouraged to study the provided GEF chart to select electives that satisfy these requirements. By using the suggested plan of study above, students are able to fulfill this requirement prior to graduation from County College of Morris. Students not completing this requirement at CCM will have to do so at WVU. This requires the student to exceed

the 120 credit hour standard, the listed semester totals in years 3 and 4, and could jeopardize the 4 year graduation timeline.

The WVU GEF curriculum also includes 9 credits (normally 3 three-credit courses) of Focus coursework (F8), to help students capitalize on the range and diversity of courses offered at WVU. In order to maximize connections, incorporate additional competencies, and encourage true breadth of study, students must fulfill the Focus through completion of one of the following academic paths: (a) completion of a minor; (b) completion of a double major or dual degree, or (c) completion of 9 credits of additional coursework from the list of courses approved for GEF Areas F1 through F7. Students following this pathway that select an AOE which contains a required minor will fulfill this requirement in that manner. Those students who select an AOE that does not require a minor, will have completed enough AOE courses at CCM to alleviate time to complete F8 requirement at WVU.

Students who have questions about admission into their intended program, GEF requirements, GEF Focus, AOE, minors, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.
