Students pursuing a degree in Sociology via this articulation agreement will be admitted directly into the program, despite lacking the SOCA 105 requirement, so long as they have a C or better in SOC 120.

*Although West Virginia University does not have a direct equivalent for the following courses, they will transfer in as SOCA 000 and be utilized as 200+ level major electives towards the Sociology degree: SOC 110; SOC 118; SOC 202; SOC 210; SOC 218; SOC 222. Students who elect to take one of these courses will work with their advisors at WVU to complete an Anthropology or Criminology elective

**Students may also elect to replace SOC 209 with one of the previously mentioned SOC electives to satisfy the Sociology elective requirement.

The WVU General Education Foundations curriculum (GEF) includes eight areas (F1-F8). F1 (Composition and Rhetoric), F2 (Science & Technology), and F3 (Mathematics & Quantitative Skills) are specified above. These 3 Areas will be fulfilled by General Education requirements at County College of Morris and ENGL 102 at WVU. Students must also complete 3 credit hours from each of the GEF Areas 4 through 7, and are encouraged to study the provided GEF chart to select electives that satisfy these requirements. By using the suggested plan of study above, students are able to fulfill this requirement prior to graduation from County College of Morris. Students not completing this requirement at CCM will need to utilize ELECTIVE credit at WVU to do so.

The WVU GEF curriculum also includes 9 credits (normally 3 three-credit courses) of Focus coursework (F8), to help students capitalize on the range and diversity of courses offered at WVU. In order to maximize connections, incorporate additional competencies, and encourage true breadth of study, students must fulfill the Focus through completion of one of the following academic paths: (a) completion of a minor; (b) completion of a double major or dual degree, or

(c) completion of 9 credits of additional coursework from the list of courses approved for GEF Areas F1 through F7. County College of Morris students are encouraged to utilize ELECTIVE credit, and the GEF spreadsheet, to take courses that complete this requirement at CCM. CCM students will fulfill 6 of those 9 hours with successful completion of COM 109 and PSY 113. Those who do not complete the F8 requirement at CCM, will need to utilize ELECTIVE credit at WVU to do so.

WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. County College of Morris students may begin completion of certain minors at CCM by taking courses equivalent to the minor's introductory requirements at WVU.

Students who have questions about admission into their intended program, GEF requirements, GEF Focus, minors, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.
