Students with a GPA of 2.0 or higher will be eligible for admission into the Human Nutrition and Foods program. Students seeking to pursue the Area of Emphasis in Dietetics will need to have a minimum GPA of 3.0, receive a Didactic Program in Dietetics Verification Statement, and will have a slightly different plan of study than the one listed above.

Students are required to complete 3 credit hours from each of the GEF Areas 4 through 7 before successful graduation from West Virginia University. Students are encouraged to study the provided GEF chart to select a Humanities elective to satisfy the GEF 6 category. Students who choose not to take a GEF course at CCM will have to exceed the outline credit hour requirement listed in this plan of study. All other GEF requirements will be met by program requirements.

Students who have questions related to the plan of study, or any other academic related issue, please contact the Office of Undergraduate Education at WVU.
