BS AREA 2-1	4	ELECTIVE	3
ENGL 102	3	ELECTIVE	3
ELECTIVE	1	ELECTIVE	1
TOTAL	14	TOTAL	14
Year Four, 1st Semester		Year Four, 2nd Semester	
PSYC CLUSTER A/B COURSE	3	PSYC CAPSTONE	3
BS AREA 3-1	4	BS AREA 3-2	4
PSYC 301	3	PSYC 302	3
ELECTIVE	3	ELECTIVE	3
ELECTIVE	3	ELECTIVE	1
TOTAL	16	TOTAL	14

Student must have a C- in PSY 113 to be directly admitted into the Psychology program upon transferring to West Virginia University.

*Students are encouraged to take corresponding lab science courses (i.e. CHM 125+126 & CHM 127+128) to complete 1 of the WVU Eberly College of Arts & Sciences Bachelor of Science requirements in the most effective manner.

The WVU General Education Foundations curriculum (GEF) includes eight areas (F1-F8). F1 (Composition and Rhetoric), F2 (Science & Technology), and F3 (Mathematics & Quantitative Skills) are specified above. These 3 Areas will be fulfilled by General Education requirements at County College of Morris and ENGL 102 at WVU. Students must also complete 3 credit hours from each of the GEF Areas 4 through 7, and are encouraged to study the provided GEF chart to select electives that satisfy these requirements. By using the suggested plan of study above, students are able to fulfill this requirement prior to graduation from County College of Morris. Students not completing this requirement at CCM will need to utilize ELECTIVE credit at WVU to do so.

The WVU GEF curriculum also includes 9 credits (normally 3 three-credit courses) of Focus coursework (F8), to help students capitalize on the range and diversity of courses offered at WVU. In order to maximize connections, incorporate additional competencies, and encourage true breadth of study, students must fulfill the Focus through completion of one of the following academic paths: (a) completion of a minor; (b) completion of a double major or dual degree, or (c) completion of 9 credits of additional coursework from the list of courses approved for GEF Areas F1 through F7. Students following this pathway will fulfill this requirement with completion of their Bachelor of Science required courses.

WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. County College of Morris students may begin completion of certain minors at CCM by taking courses equivalent to the minor's introductory requirements at WVU.

Students who have questions about admission into their intended program, Bachelor of Science requirements, GEF requirements, GEF Focus, minors, or any other issue relating to academics at West Virginia University should contact the Office of Undergraduate Education at WVU.
