

Environmental Specialist

Full Time, Dayshift, Monday - Friday

Location: Mount Olive, NJ

Starting at \$16.50/hr. (paid weekly)

Medical, Dental, Prescription, 401K Match, Paid Time Off

We have a current opportunity for an Environmental Specialist to perform scheduled pick-ups of hazardous and nonhazardous waste management services to our customers. This is an entry level position which provides a training path to grow within our organization.

Responsibilities include manifesting, packaging of materials, spill response, labeling of packages/drums, loading/unloading trucks, coordinating transportation, and sampling/profiling material.

We are looking for candidates with a stable work history, strong work ethic, who are eager to learn. If you are looking for a large stable company who supports career growth, then this opportunity is something you should consider!

Education/Experience:

High School diploma or General Educational Development (GED) required

Some college coursework in chemistry preferred, but not required (will train)

Certification/Licenses:

40-hour HAZWOPER Certification (**will provide training**)

Valid Drivers License

Ability to obtain a Class A or B Commercial Drivers License (CDL) with Hazardous (H) endorsement (**will provide training**)

**Visit our website: www.VeoliaNorthAmerica.com
