

# FELICIAN UNIVERSITY

## RN/BSN FAST TRACK

*School of Nursing*

Felician University's 15-month RN/BSN Fast-Track Program is specifically designed to prepare nurses for leadership roles in patient care and management. The program is based on the principles of adult learning theory with an emphasis on expanding your existing knowledge.

*Courses are offered:*

- **FULLY ONLINE**
- **ON CAMPUS** at Rutherford/Lodi, NJ
- **OFF CAMPUS** at one of our partnership locations

### PROGRAM HIGHLIGHTS:

- The Bachelors Degree in Nursing Program at Felician University is accredited by the Commission on Collegiate Nursing Education
- Flexibility and convenience allow you to finish your degree in 15 months while working full time.
- Earn six credits during each eight-week session.
- On- and off-campus courses offered one day per week on the same day each week throughout your program. Class time varies, but you should be available 8 a.m. to 6:30 p.m.
- Move through the program with the same group of students in a supportive, cohort-style learning.
- Affordable tuition rate is 30% lower than the rate for traditional Felician undergraduate programs.
- By the end of the program, earn the Institute of Healthcare Improvement Basic Certificate in Quality and Safety
